## **GENERAL INFORMATION**

Arrive 20 minutes before your tee off time.

We encourage you to invite friends and visitors from other clubs to join us for a game, but they must have a handicap and will be eligible to win the voucher and balls. Fees available from the pro.

If you are going away there is a forward booking book please put your name down against the appropriate date of your return.

Remember to put your name down for all competitions on time so you are included in the draws.

The computer in the foyer is for you to check your tee off times and handicap.  
Booking sheets are now located in the pro shop.

Please remember if you are not staying for lunch to indicate this on the lunch order sheet prior to hitting off.

If you have to cancel a game at short notice, ring the pro shop as early as possible as Kate may have a replacement or adjust the field.

If you are playing in a comp with a drawn or/choice of partner and it is necessary for you to cancel please contact your partner and contact Dinah Holden as soon as possible as she may have a replacement.

# CASTLECOVE GOLF CLUB

For games at other clubs, visitors/veterans and open day please check the invitations upstairs.

To ensure we all enjoy our golf please avoid slow play keep up with the group in front, move quickly to your ball and get into the routine of selecting your club for the next stroke before you reach your ball.

## **PENNANTS**

A great way to play 18 holes of golf at different courses without cost, including lunch and a ball. Refer to fixture book for dates and please support our club by joining a team, there are competitions for all handicaps.

## **ADDITIONAL ACTIVITIES**

Includes Bridge, Book group and Craft group and all members are welcome to join. Our library is open to all and for a small fee you may borrow books on an honor system.

Wishing you all a great year of golf and if you have any suggestions at any time please feel at ease to speak to me or other Committee members.

Cheers
